

Break Up Song

words & music by Jes Hudak & Teddy Goldstein

V1: A bm D f#m E A bm D f#m E
I can't tell you how to love me, I can't tell you if you don't see,
you say you understand, but I don't think you really,
Know who I am & what I need.

chorus:
D E f#m D
Don't give me those eyes, it's hard enough
just saying goodbye.
You would let me stop my world for you,
& that is something I'm just not ever gonna do.

V2: A bm D f#m E A bm D f#m E
I still love you though I'm leaving, I still want you though I'm pleading,
Please let me take my hand & I think that you'll see,
someday this was not all that easy.

ch into solo over: A bm D f#m E :||

bridge:
D E A Eo f#m E
Cuz I can't stay in one place for too long,
I gotta keep moving on...
