

No One In The World words & music by Jes Hujak

V1: cm

I wanna kiss you, I wanna touch you, I wanna hold you close to me.
I wanna make you, I wanna shake you, I wanna take you incomplete,
So let's go now, let's go now, we don't have time to waste,
And I want more than just a little taste.

chorus:

Cuz you feel so good, you do what no one ever could,
+ I will wait for you, just like I always do,
Cuz there's no one in the world, no one in the world,
There's no one in the world like you.

V2: cm

You do something, you do one thing, you do everything to me,
& you never waver in your flavor & I wanna savor every piece,
Don't go now, don't go now, we've only begun,
& I want more than just a little fun.

ch into cm B^b E^b f^{m7}

bridge:

I never knew it could be this good,
I'm feeling things I didn't know I could,
So thank you, thank you, thank you so much,
For giving me the gift of your perfect touch... mmm...
